29th September, 1914.

Sir,

I am directed by the Board of Trade to refer to your letter (No. 49611/14) of the 21st September enclosing copies of correspondence with Messrs Craven and Speeding Brothers, relative to the supply of Sisal in British East Africa, and, in reply to state that while they would welcome any increase in the supply of that product for the United Kingdom, they would prefer to leave it to the Colonial Office to advise as to whether the course suggested by the firm is practicable or desirable.

I have the honour to be,

Sir,

Your obedient servant,

W. J. STANLEY

Under Secretary of State,
Foreign Office.
