Then there can be no more pressure put  
upon the Syndicate on the score of non-  
fulfilment of development. We may still be  
able to worry them into completing the  
supplementary agreement, or something  
like it. In the first instance, ask when  
a reply may be expected to our letter of  
the 4<sup>th</sup> of Dec. (on  $\frac{11.9.}{30963}$ )?
