Address reply to—"The Secretary, General Post Office,
quoting Registered No. 209699.

GENERAL POST OFFICE, LONDON,

27 July 1910.

With reference to your letters of the 1st instant, No. 214 E.A., and 3rd of May, No. 12032/1910, and previous correspondence, concerning the vacancies for three Pale Postal Clerks and Telegraphists in British East Africa and Uganda, I am directed to acquaint you, for the information of the Secretary of State for the Colonies, that out of the numerous candidates who, as stated in the letter from this Office of the 12th of October last, No. 257888/09, offered themselves for the two last similar vacant appointments, a considerable number possess the necessary qualifications, and the Postmaster General has therefore reconsidered the claims of the candidates not selected in that instance.

The most suitable candidates appear to be Messrs. M. Hester, W. M. Gidy, and A. Davies, Sorting Clerks and Telegraphists in Provincial Offices, aged respectively 22, 24 and 36. They are good telegraphists and efficient in postal duties. All of them have good health; but, in case one of them should not be passed by the Medical Adviser to the Colonial Office or for any other reason should fail to take up the appointment, Mr. Samuel suggests Mr. V. Sutcliffe, provincial Sorting Clerk and Telegraphist, aged 25, as the officer whom he would next select. Each of the officers appointed will be

"seconded."

Under Secretary of State,
COLONIAL OFFICE.

"seconded" for a period of three years.

I am to express the Postmaster General's regret that it has not been practicable to make a recommendation at an earlier date.

Sir,

Your obedient Servant,
