Mr. Secretary Harcourt.—There is a considerable difference of opinion as to damage caused to settlers in the East Africa Protectorate by big game. I am in communication with the Governor on the subject and am not at present in a position to say whether it is necessary to remove or modify the restrictions to which my honourable friend refers. The maintenance of the balance of nature is a difficult problem in East Africa as elsewhere. [4th July 1911.]

*25. Mr. Ramsay Macdonald, To ask the Secretary of State for the Colonies, whether he will circulate a statement of the verbal discussion between Sir Percy Girouard and the Secretary of State, referred to in paragraph C of Cd. 5584, the absence of which creates a blank between amendments No. 11 and No. 12 of the said paper. [Monday 10th July]

see p. 3567

It is probable that Sir P. Girouard was going to discuss the matter with the S. of S. in the country & was probably participating
