Dear Sir,

In reply to your letter which accompanied your form of application for educational appointments in India and the Colonies dated the 1st instant, I am directed to state that the Colonial Office have informed the Board of Education that the appointment of a man of over 50 years of age to either of the above vacancies is out of the question. Your name will however be placed on the Board's list of candidates and your application will be duly considered in the event of any suitable vacancy for which your age would not be a bar being referred to this Office. Not much prospect of such a vacancy occurring can however be held out.

Yours faithfully,

I have filled up enclosed form and shall be glad to hear at your earliest convenience respecting the two posts in E. Africa, which I am informed by the Colonial Office will be filled up by you.

I know that I am above the usual age limit for such appointments, but my Certificate of health should make up for this. At the same time, I shall be glad to know if you are likely to refuse me any appointment on this account.

Yours faithfully,
