Sir

In acknowledgement of your
reply of yesterday's date
to my letter of the 3rd instant
I may state that what I required
was not the text of the order
of deportation but a reference
to the London Gazette containing
the order in Council on the authority
of which such order of deportation
was issued. I have in the volume
now in my possession an authority
is to be found in the issue
of the London Gazette of August 15 1907

p 5317 at Section 25 subsection
1 of the "East Africa Order
in Council 1902"

I may add that what purports
to be a copy of the "original warrant
handed to Mr. Cole" appears
in the Nairobi Leader of Sept 16, last

I am Sir

your obedient servant

Herbert B. B. B.

The Under Secretary of State
Colonial Office
London
