I do not understand this hi  
Clark's addition was terminated in March  
1910 to 4825, but according to this  
now he has not reached a passage until  
a year later

And inform hi Clark accordingly

explaining that we have heard  
nothing from the Gov since he called

W. Clark should put off on this  
subject now a month ago on the plea  
that he [the C.A.] should hear from  
the Govt. has again called. The  
papers which he produces make it  
practically certain that the difference  
between the  $\frac{8}{3}$  &  $\frac{8}{5}$  rate from  
Mombasa can properly be paid to  
him. The local authorities, to whom  
he appealed by tel. before he sailed  
might have moved before now.

Authorize the C.A. to pay him  
the difference between the two rates  
on his signing an undertaking to  
repay the amount in the event  
the local Govt. deciding that it  
is not due, him, send the Govt  
a copy of our letter to the C.A.
