LONDON, S.W.

The Under Secretary of State for the Colonies,
Colonial Office,

S.W.

Sir,

We learn by telegram from Bombay, that it is proposed in future to have a Commercial Firm as Agent in Bombay for the East Africa Protectorates instead of a Government Agent, as has been the case for some years.

In consequence, we beg to apply for the post, on behalf of our Branch in that City.

If our application is entertained, we shall be happy to send a Representative to your Office to go into the matter more fully.

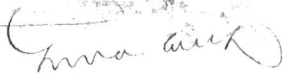

It may be within your recollection that we did a great deal of the work before a Government Agent was appointed some years ago.

We have the honour to be,

Sir,

Your obedient Servants,
