... would you allow me to return via  
... Khartoum. Girouard represents that it  
... be useful for me to see Soudanese officials on  
... one or two matters. Jackson no doubt would welcome  
... my tour ... be extended only by few more  
... days, little or no extra expense. Propose to visit  
Zanzibar for 4 days before leaving (for) East Africa  
Protectorate ... Foreign Office strongly  
advised this in view of probable transfer of  
administration to Colonial Office and I find that  
steamers conveniently fit in.
