which the
done

as proposed.

I always understood the £100,000 to be exclusive of grain etc.
It does not matter as I intend to buy the Kilimani Pier in my negotiations with the Treasury, in order to try to get the £150,000 for the Fort Hall Tramway & Nairobi Water Works.

I believe the Magadi Lake Co. will make a deep water pier eventually

As proposed.

I always understood the £100,000
to be exclusive of grain etc etc.

It does not matter as I intend to
drop the Kilindi Pier in my
negotiations with the Treasury, in
order to try to get the £150,000
for the Fort Hall Tramway & Mombasa
Water Works.

I believe the Magadi Lake Co. will make a deep water pier eventually.

EXCLOSURES

~~ESTIMATE~~

H. J. Read, Esqr., C.M.G.
Colonial Office,
LONDON.

Dear Sir,

With further reference to our last letter, I enclose herewith
the proposed deep water Pier at the mouth of the River. I will
inform you that our estimates were sent to Mr. [unclear] who is
the principal in this matter, and

For Quay 600 feet long and 50 feet wide, with berths for Cranes and railways, together with sheds, also including the sheds, and all necessary equipment, bollards, electric cranes, lighting, elevators of gantry as required for berths and wharfs, storage plant, machine plant, intake, distilling and filtering plant, air conditioning plant, electric lighting, delivered and erected.
