GAME REPORT 1910-11

Sir G. Frides.

An interesting report

There does not seem to be much fear  
of the game being exterminated for  
many years to come. W. Perreuil, the  
Ass. Game Warden, told me this morning

that we did not really know  $\frac{1}{2}$  of  
the game country in the East.

With regard to the preservation of the  
Elephant we are trying to get James  
Dranes, & Kelpin to agree to a

higher limit for the export of tusks  
in the countries adjoining the E.A.P. &  
Uganda
