Mr Lushall

This will be a disappointment to Capt Mering & Sir F. Follitt who thought they had got 10,000 acres at Busha and 15,000 at Tasta as well as a perfectly framed application for the area. The failure is not our fault, but their fault on the understanding of Jolly & Biggs.

I inform them of the substance of this & add that it is essential if they wish to obtain the file or other concessions that they should be

To proceed, knowing Capt.
Manning as well as I do, and
having had out or two interviews
with Sir C. Follett, I cannot
understand how any persons
can be anxious to place funds
at their disposal to enable
them to embark on this
enterprise. They seem quite
unfit for it.
