(Subject.)

Export duty on Ostrich Feathers

Sanctions proposal to remit for three years

(Minutes.)

Mr. Risley
Mr. Antedans

The Order referred to in 1907 25 shd. have been re-considered before as directed in the minutes. The Gov. asked for telegraphic confirmation of the Order before the meeting room in June, so I am sure that it was not. The only objectionable feature in the Order which I notice is the provision of clause 6 by restricting District Gamekeepers & Hunters licenses to persons

East Africa...

of European birth & descent
The same that under the Murray
and Profiting, licenses may
only be granted to Europeans,
but there no reason for inter-
-ding the desirability.

The effect of the
Ord^r provided the words
of European birth & descent
are struck out.

There may be some good reasons
for confining the issue of licenses
to Europeans. I understand the
about the way it was proposed to in 1701
