(Subject)

Chief Officer,
Lake Steamer

My tel: 163 says work when Chief Officer may
be expected to return as well as assistance

(Minutes)

Mr. Russell
How is this matter progressing.

My 7/10

Mr. Ellis

I have sounded a Lt. England
but he won't get my letter till
Monday (so his father informs me).
I have asked him to telegraph on
Monday whether he wishes to be
considered as a candidate for the
vacancy.

My 7/10

T.O

Mr. Antobius

We have "sounded" the
back of our Maine candidates for
this vacancy but as is usually the
case the majority turn out not to
be available. Of those who wish
to be considered there are two
between whom I don't think there
is much to choose.

1) Lieut Young R.N.R. 6008/5 age
27; single; acting sub lieut. in the
R.N.R.; Extra Master's Certificate
from the B. of T. Now employed on
the Union Castle line. He made a
fair personal impression and is
recommended by Sir E. Reed* who
knows him and his family and
says he feels absolutely certain
that he would give entire satis-
faction.

2) Lieut Lang R.N.R. 35872/4 age 30;
single; He is a lieut. but only
has the ordinary master's certificate
from the B. of T.; Torpedo and Gunnery
certificates. He made an excellent
impression on Mr Marsh and Capt.
Child saw the papers and
thought him a good candidate.
He is now at Gibraltar but wishes to
be considered. CR 24/10

Having regard to what Sir E. Reed
says, I think that Young should be chosen.
