The Under Secretary of State for the Colonies,
Colonial Office,
Downing Street, S.W.

Sir,

I have to thank you for your letter of April 17th together with copies of the gazette of East Africa which you kindly sent me, and which would have replied sooner had I not been away.

Mr. Foulkes having now returned has furnished me with the last map he has obtained of the District from the District Commissioner Mr. Murray and Mr. Kyle the Surveyor, and from these, together with information Mr. Foulkes has given me I have prepared a plan of the District showing the boundaries of the 20,000 acres of which temporary occupation has been granted, and am having a copy made to forward to you as soon as I may have the latest information on the matter.

I shall be able to do this next week.

Yours faithfully,
Alfred W. H. ...
