Mr. Antides, (Minister.)
Mr. S. S. S.

Lord Waterman called on Monday. He was
not sure on what date the next became
payable (it is left blank in the copy of
the agreement with $\frac{D}{43250/100}$) but supposed
that it should be paid on the 1st of Sept -
(the date of the agreement.) He wished to make
the proposal here. I said it was preferable
to have the next paid monthly for the
time being probably to be taken by 7
1/2% charges payable to C.A. He
proposed to get left the proceeds outwards
& in fact he has done so (Capt D.
has held a power of attorney for
the purpose.)

I see now that that is payable & assuming
that is correct, what would the agreement
cover, but as Lord Waterman says - 18/5/07
that must be paid to be paid - it
is probably that the book of payments

Will the date of the agreement have been made
I look upon it as a matter of course that the
of the agreement is to be made in the
following the 15th of the month. I am not
I have been told that the person to whom
a note is given is not to be given the
of the note, but that it will be the
of future payments in such a case.
Send the cheque to the CA.
