No. 4041 to grant temporary permission to trade on Juba between Kismayu & Bardera. Permission given to establish depot at Hararab on condition, accepted by Pittell not to proceed beyond before arrival of frontier columns. No report as yet from Frontier Column at Kismayu.

~~The~~ Intentions

By Lt Ward accordingly. He appears to be as about Hararab (see list to 20/2/08) but there is no time to discuss it.

Yes. The report from Kismayu is affected by the question whether the Boma Co. is still pursuing its enterprise (para 3 of despatch 4405). But as that Co. is not pursuing its enterprise has not been granted permission. The question is not material. Passed as proposed & inform
