of the year

have also received your
letter of the 29th ult
in which you recommended
the election of Mr

Watts for a new
member of the Council & I do not
think that the same
reasons exist for offering the
name of Mr Watts as
a candidate for the Council

as in the case of
the other members of the
Council. The case of
Mr Watts is a
special case & the
Council should be
guided by the
wishes of the
members of the
Council in this
particular case.

But in accordance with the
order of the Council
it will be taken up for
discussion at the
next meeting of the Council
190

I have accordingly
thought it best not
to submit Mr Watts
name for H.M.
approval as a member
of the Council; but I
have no objection to
your appointing him
to act for Mr Hollis
during the absence of
the latter & have pro-
vided that after the
at the meeting of the
Council at which
or before which
his suspension of the
work is decided
the suspension of the
