Sir,

I have the honor to report that last night, I had the
order Police Constable Sparrow of the European Police to
be confined in the Police Station for being drunk and in-
subordinate.

Police Constable Blunden who is under suspension and is confined to Barracks, is also reported by Sergeant Major Bradney for not being in his quarters at 12.30 A.M. this morning. I warned this man that if he broke barracks he would be liable to be put in prison, and I would most strongly recommend this being done to both these men, until the sailing of the German Steamer on the 26th as they are only causing trouble in the town here, their friends being of the most undesirable class.

I have the honor to be,
Sir,
Your obedient servant,
Sd.W.R.B.Bustnes.
act.Dist.Suptg.of Police

Complainant A.D.S.P. Captain Mustase.
Accused P.C. A.A. Sparrow.
Offence 1. Drunk on duty.
2. Insobriety.

Inspector R. Anderson.

Last night at 9.30 when Police Constable Sparrow should have been on duty at the Police Station, I visited the Police Station and found Police Constable Sparrow in the outer office drunk, in uniform. I told him he was drunk and to return to his quarters but he did not do so and Sergeant Major Bradney had to put him out of the Police Station. He did not go away, but loitered about outside. I went to Captain Mustase and reported the matter. Captain Mustase told me that if he returned to the Police Station I was to lock him up. I then went home and a little later received a note from the Asst. Sub-Inspector Birje Kishore that Constable Sparrow had returned. I again went to the Police Station taking Sergeant Major Bradney with me. We found the accused on a bed in one of the rooms above the Police Station and confined him to cells for being drunk and disobeying orders.

While looking through the Diary on my first visit to the Police Station I saw an entry by accused which was quite illegible with a lot resembling no signature. I asked him what it was and he said it was his signature. I told him that it was not a signature and that he was drunk and he answered that if I could not read it I must be drunk.
