Asks that Govt. will be contented if £20,000 instead of £30,000 is spent on coast line, during first 3 yrs. & £5000 on the bacon industry. German Govt. about to impose heavy duty on fish. The export of fish plants.

(Minutes.)

Mr. Ready
I shd. have nothing whatever to do with this proposal. The first proposal was that a million pounds would be spent by the Syndicate & now they are coming down to £25,000. I have always approved the looking up of this large area of wastelands & asphaltic land without any adequate return in the way of construction of warehouses & roads, and I shd. like to see early operation.
