Mr. Read

We have heard nothing of  
this scheme. of Mr. Fawcett  
was the author. since he went out  
to S. Africa in April last.  
Ed. Hindlip was one of 20 persons  
who made application for 10,000 acres  
each, and the cheque to which he  
alludes was \$10,000 for survey  
fees.

ask you, that the P.S. does  
not understand that Mr. Fawcett  
who went out to S. Africa in April  
last to investigate the matter or  
that it had  
been sufficient.  
the fact has yet dropped something

that he does not know what  
conditions were upon which Ed.  
Hindlip's legacy was bequeathed &  
accepted, and whether he is  
entitled to withhold stop pay-  
ment of it, but that a copy of  
his letter will be sent to the Com.  
of refut. And need copy  
concerning to your satisfaction, along  
whether Mr. Fawcett has made any  
more.

Sir,

I understand that certain cheques drawn by various gentlemen for sums of £45 and £50 made out to the East African Protectorate and handed in at the Land Office late in 1906 are now being presented for payment. These cheques were handed in by Mr. A. V. Pasoua as application money with regard to land on the Tana River concerning which considerable amount of correspondence has taken place between the Colonial Office and Mr Pasoua. The Colonial Office did not approve of the scheme, and therefore these applications one would naturally suppose would have become void. As I understand that the applications were only made and only allowed to be made in the first place on the understanding that work of considerable magnitude would be undertaken. As a cheque signed by myself was among these I am instructing my Bankers to refuse payment if it is now presented.
