4. New letter 7588 1908

addressed to Sydney route  
has reached me to day.

So far as I am concerned  
the questions to be decided  
are

(1) whether I dispose of my  
assets to an Italian Co.

(2) whether I work the trade  
in conjunction with an  
Italian Co.

(3) whether I retain it as  
a purely English business

In the latter case I must  
establish a station on the  
British side of the Tuba  
River, opposite Banderá  
Mr. Ireen has applied for  
a grant of land for this  
purpose on my behalf  
and I thought that on his  
return to London it might  
be of interest to you to hear  
his report.

Yours faithfully  
Geo. Keble

The Under Secretary of State  
Colonial Office
