(Subject.)

Re organization of Agricultural  
and Forest Depts.

Suggests leaving - till next year, and allowing  
Linton to remain in charge of both temporarily. Has estimated  
for the two depts separately. Dept follows by visit. Well qualified  
and required but matter not urgent.  
(Minutes)

W. Antrobus.

Defer the appt. of any more  
forest officers until we have next year's  
Estimates? If we want to have an  
efficient forest dept. we shall have to  
increase the salaries sufficiently to  
attract thoroughly good men - & it will  
be good reasoning for us to do so -

Mr. Antrobus.  
I entirely agree. After our recent  
experience in connection with this E.A.P. vacancy,  
we do not want to do any more hunting for  
adequate competent forest officers on inadequate salaries.

to 3747) that is, I think the  
Secretary should be told that  
it is proposed to put him for some time  
further course of the question of selecting  
a forest officer for the AP, but that  
he will be noted. Although it is  
little perfect and it should  
be asked to make enquiries by post of the  
Indian authorities, as suggested in Mr. Lucas'  
letter attached to 3747.
