My dear Mr. Antrobus

I have never received any acknowledgment of my letter addressed to you dated 17 April 1908.

I should be glad to know if it has been registered in accordance with the request contained in it?

As, after my late interview with you I only have your verbal refusal to refund the passage money charged against me in 1905, in the face of the clashing medical certificates and all the exciting correspondence, will you please inform me if you still refuse to refund that amount?

Trusting that you will be so kind as to favour me with a reply at your earliest convenience.

I am,

Yours truly
R. L. Antrobus.
