Last Previous Paper

It asks that second in Command may accompany
troops to Somaliland with 2 Cos. in Jabalood.
There will be only recruits & bands left in Nairobi
& retention of second in Command here does not appear to
be necessary.

Mr. Dainton

2d. I might like precise instructions
that the O/C & Adjutant were to
go. Let that the 2nd in Command was
to stay behind.

Telegraph saying that had never
reported that he cannot find permission
for the 2nd in Command to
accompany troops.
