Mr Read Genl Dept  
Conservancy fees appear to be rates  
for the removal of excreta, and I  
should have thought that they ought to  
be borne by the occupant of Govt  
House. In E Africa officials have  
to pay their own rates. On the other  
hand Govt House is no doubt larger  
than a period for the personal  
needs of its occupant  
Perhaps the General Dept would advise

Mr Read Genl Dept

We have nothing in the General Dept  
which bears on this. No doubt the question of payment  
of local rates has come up in other G. Dept

Mr. Read

I spoke to Mr Green about this & he thinks  
that each Col. or Pte. should make his own  
arrangements in a matter of this sort.  
The G. Dept. cannot help.

I gather that in Nigeria - at Lokoja  
& Zungeru anyway - the ordinary official  
ways had own rates as in E. Africa.

but I can obtain no information  
of Govt House itself.

I don't think we need recover  
this sum from the late Govt - it  
is about £8 - but as conservancy  
has been paid by the  
occupant of Govt House in the  
past, it is for reason whether  
we should not direct their  
payment by the Govt in future.

I refer to the account from  
Mr J. H. S. S. I am inclined  
to think <sup>it is</sup> that the fees should be paid  
partly by the Govt.
