EAST AFRICA PROTECTORY

No. 872

My Lord,

It appears that an anomalous state of affairs has existed in the Tavaland Province for some years past. The narrow strip of alien land, of hitherto territory between the mouth of the Tana River and the South Eastern frontier of the Uta District being gazetted as a part of the Uta District, whilst it has all along been administered by the District Commissioner of the Tana River District and actually contains the present headquarters of that District, viz: Kipini.

2. As the legality of the decisions of the District Commissioner may be questioned at any moment, I request sanction to gazette this area as a portion of the Tana River District.

I have the honour to be  
Your Lordship's humble,  
obedient servant,

THE RIGHT HONOURABLE

THE EARL OF CREVE, K.G.

SECRETARY OF STATE FOR THE COLONIES

DOORING STREET,

LONDON, S. E.
