Sir,

In view of the further explanation furnished in the enclosures to Mr. Antrobus' letter of the 3rd instant (4606/1909), I am to request you to inform the Earl of *Crewe* that the Lords Commissioners of His Majesty's Treasury sanction the temporary appointment for one year from 1st April next of Mr. Hirtzel as Factory and Boiler Inspector in the British East Africa Protectorate. My Lords will be glad to receive in connection with the Estimates for 1910-11 a report upon the success of this arrangement and upon the necessity for its continuance.

I am to suggest however, that Mr. Hirtzel should not be permitted to give gratuitous advice to private firms in the Protectorate but that a suitable fee should be charged upon occasions when he is consulted, and credited to Protectorate funds.

I am,

Sir,

Your obedient Servant,

*D. G. Heath*

Under Secretary of State,  
Colonial Office.
