*S. Rhymerman, Director*  
*Employment of Mr. Zaphiro*

*Thompson suggests salary \$2000 more, to \$4000. Substantially  
not fit with pension rights. Rogers takes much too  
high of pension rights position (considering scale down  
by our administrative staff).*

W. Read

*Mr. Zaphiro has previously had \$200 a  
year + a subsistence allowance of 10¢ a day,  
miserably inadequate remuneration  
for the work he did. But he no doubt  
had other sources of emolument,  
which will tend to drop up as he comes  
more + more within the grip of a settled  
administration.*

*The future of his employment is  
so dark that I think we should steer  
clear of pension rights.*

*Reply that in view of the uncertainty*
