SUCCESSOR TO MR. P. T. BRADLEY

Mr. Bradley

This has been discussed with the  
P. T. Bradley  
There will be vacancies for two  
Assistant Inspectors  
Candidates: H. G. [unclear]  
with Col. [unclear] Capt. [unclear] their  
professional training, military require-  
ments, stability of character make  
them specially fitted for service  
with a Native Police force. In any  
case, he urges most careful selection.  
The proposals [unclear]  
have been [unclear]

will have 5 out of P. Assistant  
inspectors - Mac Roberts  
Thom  
Taylor  
Brown  
Stewart

i.e. a total of ~~four~~ 3 vacancies

of these vacancies, one may

 that however good a "flaw"  
 there may be to the commissioned  
 rank (I use Capt Edward  
 phrase) you cannot expect  
 public school men to serve  
 in many years in a u.c.o.  
 position. I wish all the  
 capabilities of many men say  
 a month. I think you can  
 know people who know

again. At the time I had  
 thought you (I understand)  
 both in the same way in 19  
 The first is taken as an Asst  
 Asst. Capt. Ed. that latter  
 only as Asst. Capt. This  
 of course is in one sense "bad  
 luck" for Ed. but  
 I cannot help thinking that

I was  
 actually  
 not  
 could be
