was with to ask. Upon
ref. to our ref. of Sept. (1911)
of para 2 of the report saying
that it concerns that the

comparisons should serve as base
stand in both. It is suggested
by Mr. Parkhurst that accordingly
increase in salary will therefore
should be provided in Estimates

as it is the other that in Cyprus
comparisons are already on
a scale of Rs 500 - Rs 1000

Directorate are at present a total of Rs. 170 to

work, which is mainly maintained by the Medical

Directorate, and that showing and pay drawn

by the existing staff is Rs. 100. The

Medical Officer is of opinion that the

present staff of Rs. 50 to Rs. 100 is ample for

the class of work usually engaged in, but that

if a higher grade of work is undertaken

between qualified men, but in view of the fact that

expenditure would be small for the present

and the fact that the Directorate is concerned.
