The originals must be sent for inspection, but they will be returned if their return is requested and return is made. There is no charge for record in the Colonial Office. Copies may be made in MS. or in print, and if desirable, they may be made in any language. They should be on separate paper not larger than this form.

As I was some 11 years in 1899-1900 and in different parts of Africa - with the exception of my time in the N. I. Marine Administration - working on my own account. I have no testimonials to offer.

I intended to have remained in French life in the N. I. R. adm: & did not therefore seek for any testimonials. However, everything concerning my work in that service can be obtained from the British South Africa Co. London, & one of my referees over I have forwarded to my immediate chief in N. I. R. as I was asked to do in this service.

What testimonials & papers I had, were lost by me when I was travelling from the Tanganyika Station to the Zambesi. On my arrival at the junction I notified the collector to both the B. C. A. S. & C. & I am sure they have been sent to the proper authorities. I have also forwarded to my chief a list of my papers.
