GOVERNMENT HOUSE,
NAIROBI,
BRITISH EAST AFRICA

November 25th 1910.

SIR,

I have the honour to acknowledge the receipt of Lord Cromer's despatch Confidential of the 27th ultimo and your report & Memorial emanating from the London All-India Medical League.

Most of the points raised in the Memorial have already been under the consideration of this Government, being based on or at any rate in close sympathy with the utterances of the Hon. A.M. Jivanti, to which the London Press has seen fit to give wide publicity.

Sir Percy Girouard has taken with him to England statistics and data which will sufficiently refute the pretensions advanced by the League and it will, therefore, scarcely be necessary for me to criticise them in detail.

It may perhaps, however, be permitted on the strength of a long experience of East African conditions to expose a few of the more glaring inaccuracies and errors in this disingenuous document.

The primary claim to consideration advanced by the League on behalf of the Indians of East Africa is that they were instrumental in developing
