Inquire whether it is intended to introduce
rules in conn. with Uganda flag on lines
recently approved in S. Africa. *discuss query*

Mr Buller

There appears to be some objection that
not adopt in S. Africa the same rules
as to the Fines Fund, as we have adopted
in S. Africa on 38685/09. But here
considering the matter further, I find that
of two to two per cent, and here the
1/2 of the present rate also for lot of papers.

the West African Rules & the desp. (m.c. 3580/199)
in which they were approved, & suggest
that the procedure described in para 3.d of that despatch,
that they should be adopted on the
Uganda Railway, unless that Railway
already has similar rules which are
in the Governor's opinion, not less
satisfactory. In the latter event, he should
send home a copy of the existing rules.

Sir,

With reference to Mr:Fiddes's letter No:35665 W.A. of the 16th November last, enclosing a copy of rules, as approved by the Secretary of State, governing the various Fine Funds connected with the West African Railways, I am directed by the Comptroller and Auditor General to enquire whether it is intended to introduce rules which have been similarly approved for the control of the Fine Fund administered by the authorities of the Uganda Railway.

2. This question was raised by the Local Auditor in the East Africa Protectorate (Query 105 of 15th March 1909 - copy, with reply, enclosed) and has been held over for settlement pending the decision of the Secretary of State with regard to the Funds of the West African Railways.

I have the honour to be,

Sir,

Your obedient Servant,

W. F. Widdows

Under Secretary of State,

COLONIAL OFFICE.

Query o. Observation.

Answer or Explanation.

It is requested that it may be stated whether the formation of the Fines Fund and the scheme for its Administration has received the covering sanction of the Secretary of State.

(Sd.) S.N.FAULKNER,
Assistant Local Auditor.

I cannot trace any sanction of the Secretary of State, but I do not consider such sanction necessary.

The Railway Act, the general Rules under the Railway Act and the conditions of service allow of fines being inflicted and it is the universal custom on Railways to utilize the Fines Fund for the benefit of employees. The Administration of the Fund is always in the hands of the Manager subject to record at Official meeting.
