EAST AFRICA PROTECTORATE

No. 4

(Incl. 2.)

My Lord,

In continuation of my Confidential despatch dated December 28th, forwarding confidential reports on the Survey Department, I have the honour to transmit to Your Lordship herewith the Index Map forwarded in Mr. Lyttelton's Separate despatch of August 24th, duly marked as instructed, together with a Memorandum by the Chief Surveyor answering some of the points raised in that despatch.

I have the honour to be,  
with the highest respect,

My Lord,

Your Lordship's most obedient,  
humble servant,

*Stanley Baker*

H. H. Principal Secretary of State  
for the Colonies,  
Downing Street,  
LONDON.

... shown in ...  
... should be ...  
... also ...  
... surveys are required ...  
... already been surveyed by ...  
... owing to ...  
... which will have to be redone ...  
... Topographical maps should, ...  
... considered ...  
... and should have the same scale ...

... except in ... cases, the scale of ...  
... would be suitable ...  
... 200,000 ...  
... the scale =  $\frac{1}{10,000}$  would ...  
... be most generally convenient, except ...  
... where I would recommend  $\frac{1}{2,500}$  ...

... The portion colored in light blue is already covered ...  
... by the triangulation ...  
... The survey of portions colored in dark blue should, I ...  
... consider, be left unfinished, as many applications are ...  
... received ...  
... only be undertaken as necessity arises.

... date been signed ...  
... blocks ...  
... blocks ...

Sana Rivers for cotton, and the land and (with many  
plots) for grazing (marked in dark blue). The  
existing surveys, imperfect as they are, have served  
the purpose of settling individuals on the land  
applied for, but the portions mentioned have not been  
surveyed at all.

Sd/- R. Barton-Wright.

NAIROBI,

December 25<sup>th</sup> 1903.

by  
The Land Officer.
