Land for Fibre Cultivation

Paper

Inquire whether, if £5000. worth of machinery and plant is placed on the ground at once, it will be accepted in lieu of deposit of £2000.

(Minutes)

Mr. A. Read

I am sorry this paper has creased & is being kept up in another bundle.

I cannot see why we should go around the horns which Messrs Buxland & Dooner offered you accepted. There would be no objection however to releasing the £2000 as soon as the £5000 has been spent, nor would it increase further as they are more inclined to buy on the basis of a purchase of £2000 on plant & machinery. I am sorry according to the copy of the Council's decision...

In reply to your letter of the 13th ult. I am directed by the Earl of Elgin to inform you that he does not see any sufficient reason for disposing with the provision of the proposed loan to Messrs Bache, Bond & Dooner under which they are required to deposit £200, which will be returned if £5000 are expended on the development of the property within two years, especially as the condition was
