Disturbances at Nairobi

Forward message from Olmest. Assoc.
complaining of conduct of local admin. in the matter
and alleges that statement in H. of Lords of April
1890 a gross libel, and asking for a Board of Inquiry
to come to inquire into this & other grievances.

The Acting Commissioner

Telegram. The Officer Administering the Government of the East Africa Protectorate to the Secretary of State for the Colonies.

(Received, Colonial Office, 7.41 p.m. 23rd April, 1909)

have been asked to forward following charges in connection with transmission have been paid. - Colonists Association of British East Africa contends that local administration turned flogging incident into most unscrupulous political prosecution. Your Lordship's statement in House Lords of April 11th as reported reference a hundred Europeans, many of whom were armed an unwitting but gross libel on this community at large and we request that Board of Enquiry be appointed from here to enquire into this and other pressing grievances.
