In reply to your telegram of July 25<sup>th</sup>, your  
decision to appeal is approved

I do not understand the grounds of the  
judgment of the Sessions, since the accused  
had stated that they would wish the case  
to be dealt with by the magistrate before the  
decision ~~to~~ not to press the more serious  
charges was taken. Please explain the judgment  
more fully by telegram, giving the actual  
reasoning.

No claims for damages either in this case, or  
in that of Burn should be entertained.
