### SPEED AND STOPPING.

Question of Safety on the Roads.

NEED NOT THE DANGER

In itself, speed on the road is not automatically dangerous. On the contrary, it is speed and not stopping which is the danger. It is the fact that a car can stop in a few feet that makes it so dangerous. It is the fact that a car can stop in a few feet that makes it so dangerous. It is the fact that a car can stop in a few feet that makes it so dangerous.

THE NEW OLDSMOBILE SIX

The New Oldsmobile Six which was given a demonstration on last week.

THE OLDSMOBILE SIX. Result of a Trial Run in Nairobi.

EXCELLENT PERFORMANCE. The Oldsmobile car, while new to many motorists in the country, has nevertheless, owing to its practicality and other good points, the Oldsmobile Six is one of the best products of modernity. A great deal of interest has been shown in it, and it is being purchased by many of our best motorists. It is a car that is well adapted to the conditions of our country, and its performance is of the highest order. ### A LETTER FROM LONDON.

Mr. Speaker's Attack.  
DOWD LONDON, 17/7.

It has been a matter of some interest to see Mr. Speaker's attack on the Government on the subject of the proposed amendment to the Bill for the extension of the franchise to the women. The attack was a most able and well thought out one, and it is to be hoped that it will have the effect of leading to a reconsideration of the Bill.
