### FORD ENDURANCE

Four out of five Ford Cars and Lorries built in the last fourteen years are still in operation.

There are over eight Million Ford Owners throughout the world, testifying to Ford Endurance.

### FORD SIMPLICITY

The control and operation of the Ford Car and Lorry is simple. The simplicity of the engine design and running parts means less risk of trouble—fewer parts out of order and fewer repair costs.

### FORD ECONOMY

A Ford Car or a Ford Lorry weighs several hundred pounds less than other cars and lorries with equal power and carrying capacity thus reducing wear and tear on tyres and running costs generally.
