WORLD WIDE RECOGNITION of a Quality Product for Economical Transportation. CHEVROLET. CALL AND SEE THE NEW CHEVROLET AT THE MOTOR MART & EXCHANGE Ltd. NAIROBI & NAKURU.

Insist on Goodyear Inner Tubes. For complete satisfaction and economical service you should insist on Goodyear Inner Tubes for your covers. Goodyear Balloon Inner Tubes are fit companions for Goodyear Balloon Tyres, satisfactorily meeting the demands of the balloon tyre. In balloon tubes as in balloon tyres, "Goodyear Means Good Wear."

Explorers Use This Car Because It Is Dependable

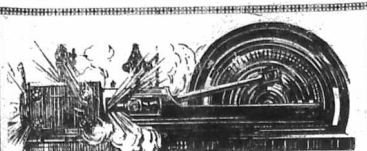

Pioneers and explorers, whose lives depend upon the reliability of the transportation they use, employ Dodge Brothers Motor Cars almost exclusively. Sir James Douglas, the famous explorer of Central Australia, Dr. Roy Chapman Andrews, on three different occasions, penetrated the innermost wastes of Mongolia in a Dodge Brothers Car.

The car's dependability is proverbial, and its exceptional riding comfort permits long travel over bad roads without fatigue.

DODGE BROTHERS MOTOR CARS

Your most expensive Power - the power you do NOT use

From engine or motor, power is transmitted through machine to material, transforming it into finished product. Frictional loss means waste. You may pay too many for power, or you may get your machinery and then, to replace it, pay more money for repairs and replacement.

The power you do NOT use is your most expensive power.

Some of this waste and destruction can be eliminated by correct lubrication. If you want to save Power, repairs and stoppages, get in touch with the Vaseline Oil Company of South Africa Ltd., the leading authorities on scientific lubrication. **— a ad 15**

70 Miles Plus Means Vastly More than Speed Alone

Chrysler Six powerability to travel 70 miles plus means a motor that is practically unmatchable. It means that your Chrysler Six gives amply more than a 70 mile run in 7 or 8 hours. It means that when you want a surge of power on the instant, you step on the Chrysler pedal and get what you want on the instant. It means the lightest possible quality in design and materials and the finest of precision machinery. It means a simplicity and a stability that give you unequalled Chrysler Six performance not only for the best few weeks or months, but for the entire long life of the car.

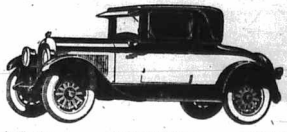

Table with 3 columns: Model, Horsepower, and Price. Models include Chrysler Six, Chrysler Imperial, and Chrysler Tourer.
