It comes as a result of an unprecedented action: with thousands of owners waiting for cars Essex production was suspended to give this wonderful new car the right-of-way.

You have never seen a motor car value like it. Big car roominess-big car comfort-and costly car beauty and finish within and without. They are ready for you now, in the largest volume in Essex history. Essex has been the sensation of the year, but here is something that excels anything you have known.
