DISARMAMENT PROPOSALS DISCUSSED AT GENEVA.

Preparatory Work for Suggested Conference in 1928.

BRITISH YAW SMALLER THAN IN 1914.

German Assurance of Co-operation Backed by Russian Spokesman.

The world powers assembled at Geneva have given further indications of their desire for disarmament if practical proposals can be formulated. Speaking in the House of Commons the First Lord of the Admiralty gave evidence in Britain's contribution to the fact that whereas in 1914 Britain had 700 warships, there are now only 515, while the tonnage is 1,250,000 less than in that year.

It is probable that a Disarmament Conference will be held during 1928.

REVISION OF VERSAILLES TREATY?

By WIRELESS. TANGANYIKA SETTLERS DISCUSS THEIR PROBLEMS.

Frank and Friendly Meeting with H.E. the Acting Governor.

OFFICIAL OPPOSITION TO NATIVE REGISTRATION.

Difficulties Inherent in Old German Land Leases; Cheaper Fuel Oils.

A meeting characterised by frank and friendly exchange of views was held recently at Arusha between the settlers of that and the Moshi area and H. E. the Acting Governor, Mr. John Scott.

The report of the meeting indicates how closely the problems and aspirations of the Tanganyika settlers are allied to movements in Kenya.

BETTER ROAD POLICY WANTED

A very interesting meeting took place at Arusha recently between H. E. the Acting Governor, Mr. John Scott, M.O. and the Tanganyika settlers. The meeting was reported in detail in the following column.

Many subjects were discussed at length:

Attention of Land. Captain, Kibaki, suggested that the Government should consider the present status of the public lands of Kenya in view of the fact that many of the public lands are now being used for agricultural purposes and that it is being suggested that a change in the status of the public lands should be considered.

Land Owing. A similar suggestion was made in reference to the land owing to the Government by the settlers.

The meeting was characterised by frank and friendly exchange of views.

Public Works Department - How long it is a matter for consideration and I will take it up. We have been purchasing modern machinery and I had a talk with the Acting Governor of Public Works and he is rather not quite satisfied with the present state of the work done by us.

Mr. H. E. the Acting Governor, Mr. John Scott, M.O. and the Tanganyika settlers.

**Double
Locked**

No lock could be safer! One turn of the key locks both ignition and steering wheel. But merely turning off the ignition does not lock the wheel. You may shut off the engine and coast, if you like, and still have your car under perfect control.

And no lock could be more convenient! It is illuminated and located within easy reach, where the steering column meets the dash.

The Buick double-lock is an exclusive Buick feature—one of many important refinements which characterize Buick for 1928.

CRICKET IN NAIROBI

A Week-end Visit by Nyeri.

A WIN FOR OYSTERKRA.

Nyeri and District sent down a team of sportsmen to Nairobi to participate in tennis and cricket matches with Yvonne and the Oysterkra. The latter were "off" from the point of view of a cricket match due to a heavy rainfall last Saturday. However, the cricketers were well equipped for the occasion.

In the cricket match the visitors failed to score very extensively, but they were able to score 112 runs. In particular, being a right-handed batsman, he was the wicket-keeper dropped him and then in the slips could not help a catch. Very soon afterwards the Oysterkra were again the player, soon succeeded by one to Burton, were also refused, however this was reasonable both being batsmen. The latter could not make a mistake by dropping of both wickets and delivery which was made in a field.

The Oysterkra again gave a White team an excellent addition to the score against the latter. The latter however, were not the ball, but they were not out at the other end and was trapped to end the match on the score of four.

Following the cricket match, a tennis match was played between the two sides. The latter were again the player, soon succeeded by one to Burton, were also refused, however this was reasonable both being batsmen. The latter could not make a mistake by dropping of both wickets and delivery which was made in a field.

There is a necessity for signing players in this competition, but the following Rule XX, which is a very important one, is being observed. Any player who is unable to play in a match, but who has been named in the list of players, must be notified of this fact by the captain of the team at least 24 hours before the match. If a player is unable to play in a match, but who has been named in the list of players, must be notified of this fact by the captain of the team at least 24 hours before the match.
