EXPLOSION AND FIRE IN U.S. MINE.

Feverish Attempts to Rescue Miners.

THROUGH REUTER'S AGENCY. Brownsville, Pen., U.S.A., May 20. Up to the present

are twenty dead as a result of an explosion and fire in the Mather Mine near here There were 150 miners underground when the explosion occurred, and rescuers are feverishly w ing to succour the survivors

German Elections.

MAN STABBED TO DEATH IN SAXONY.

Berlin, May 20.

It is estimated that 85 per cent.
of the electorate has voted, and
most of the results will be known
late to-night, but it is elser that
a review of the situation will be

review or the situation was be upossible till to-morrow. President Hindenburg and mem-

President Hindenburg and mem-bers of the Cabinet, except Herr Stresemann, voted early. The rain has damped enthusiasm. There's have been only minor closhes with over 100 arrests but few have been detained. One per-son, however was stabbed to death in Saxony.

Refugees from Peking.

JAPANESE RESIDENTS LEAVE FOR THE COAST.

THROUGH REUTER'S AGENCY 1
Peking, May 20.
Four hundred Japaness troops are arrived and have been quarered in the Austrian legation. The Northerners officially elain has attacks upon Tsangehow and hat Tingehow has been repulsed and hat Tingehow has been recaptured.

d.

The families of the Japanese Mi-inter and the legation staff are poing to the coast to-morrow, vhile preparations are being made o to house hundreds of refugees in he Japanese compound.

Have You tried the touch of this latest CORONA?

OBONA has always been famous for its convenience and durability, but this new model has an added advantage—a wonderfully light touch.

You would scarcely have believed t possible to build such a smooth, say key action in a portable throughout—the wide carriage, the full length is o-color, self-reversing ribbon, the variable line spacer, the atencifing device, the standard four-row keyboard—and the many little refinements which you would not expect to find in a portable typewriter.

YOU CAN BUY A CORONA TOR Shs. 315

GREATEST. COMFORT

In The Most Popular

CAR IN THE WORLD

COMFORT HIGHEST ECONOMY VALUE

GREATEST COMFORT

The riding ease demanded by discorning motornia—brought to the low priced car field in the Bigger and better Chevrolet. Pit Cherrolet through its paces—on any road—at any speed. You will be delighted with its smooth effortiess progress. You will begin to appreciate what Cherrolet designers have succeeded in doing—giving to Cherrolet a riding comfort hitherto thought impossible in the low priced car field.

Here are the improvements which make this achievement possi-ble—the longer whealbest, the special spring number plates, the stronger, more rigid frame, the larger tires, and the amouther, more powerful motor. And for those face points of personal com-fort, the well embined seeks, the high grade upbulgary, the roomy interiors, trust the Bigger and Better Chevrolet!

Any Chevrolet dealer will be glad to arrange for you to misks this decisive test.

THE RAPID DEVELOPMENT OF KILINDINI HARBOUR.

Need for Extension of the Deep Water Berths.

> GENERAL MANAGER'S REVIEW. ----

Belief That Present Traffic Will be Doubled in Six Years

A review of the great development in the demands ande upon the resources of Mombasa harbour during health few years and a statement on the measures after the statement of the seasons of the statement of the statement of the statement of future developments was given by the General Amanger Railways in the Legislative Council on Saturlay in moving capital expenditure of £175,000 to be included in a loan.

Mr. Felling in the course of his statement men-dioned that traffic at Kilindini Harbour had increased by 234 per cent. in five years and he believed that by 1934 the amount of traffic handled would be double what it is now.

NEW CAPITAL EXPENDITURE.

For the second see, he would very shortly have to make a re-contentiation, few another fine contentiation, few another fine contentiation, few another fine contentiation, few another fine the second fine contentiation of the second length of make of the two original second fine contentiation for the barrhing of the strength of the second fine con-tentiation for 100 few was that at the second fine contentiation would shall be second for the second fine con-tentiation for 100 few was that at the second fine second fine contentiation would shall be second for the second fine of the second fine contentiation would shall not second fine second fine con-tentiation and application from catentiates and direction charac-teriations and as in any case, the formation in that direction charac-ter and stop there and judge from the second fine contentiation of the second fine and stop there and judge from cont stop was to be taken.

Port Congestion,

Pert Oragestion.
The General Manager, while on
the subject of opulpment, also
made a brief reference to the
question of port congestion, pointing out that most countries had to
risk short periods of congestion
coppuse measures for all eventuations, which the property of the
compuse measures for all eventuations, with berths, machinery etc.,
standing side for the greater part
of the year. He also mentioned
the intention—of having supertion of having supertions of the property of
the computer of
t

In the future, perhaps in three, four or five years time if the traffic continued increasing, the next step would be to consider four deep water borths at a point perhaps somewhere near Kilindin Lighterage berths.

Receasiry Rependiture,
The Hon. Conway Harvey supported the expenditure of this
money which was obviously neceshad been an essential and economic portion of port development.
He pointed out it was raised
a remarkable thing that the borths
3 and 4 under present day contitions appeared to have cost its
Colony only about 40 per sent of

FROM NYERI TO LAMU BY MOTOR CAR.

Details of an Interesting Pioneer Journey.

LITTLE-KNOWN COUNTRY.

Frequent Stops in Order to Search for the Track.

A motor trip from Nyri to Lamu is full of interest to those who care to get right off the besten track and to pass through a searcely-known and thinly inhabited country where, all the way-down to the coast, there are, many kinds of game to be seen, including elephant, greater and lesser kndt, topi, and Hunter's harteleeste.

If one does not mind hot weather, getting lost, ravelling part of the time through desert-like country where water has to be carried, the strain of finding and seeping the trail. he will find all the fascination of an another water of the morrow of the work of the work of the work of the morrow of the work of the work of the morrow of the work of the w

The following article is by one of a small party which recently made the first motor car journey from Nyeri to the coast near Lamu.

AFRICAN STANDARD Under the CGANDA ARGUS this point of view it is at the pro WEDNESDAY, MAY 23, 1928. sent moment of somewhat gr Standard Clock.

THE RAD-

The Port of Tanga. The criticisms levied by a wellknown East African business man against the administration of Tanganyika are such that we imagine it will be impossible for the Government of the Mandated Terory altogether to ignore them The picture which he paints of ns alleged to exist at the port of Tanga will surprise many people in East Africa who are intimately acquainted with that part of Tanganyika; and there is a suggestion that it will ome as a revelation to others is to see that all parts of the country are properly looked after. Major Walsh in the course of the interview with him which we published yesterday made certain very definite statements regarding Tanga. He spoke of "an indes-cribable state of turmoil", of a shore littered with rubbish and filth of all descriptions, of railway lines and shunting yards overgrown with weeds, of the apparent lack of proper European supervision; and in short hinted that it would be impossible to find ere unsatisfactory conditions in any port on the African coast. His charge in the aggregate is an indictment of Government policy and whether or not he has overwhich is not uncommon amongst which is not uncommon amongst would be reformers, his statements are of such a challenging nature as clearly to demand a reply which should take the form either of a refutation of a refutation.

at the domestic exports of Tanga confirms the statement that from sent moment of somewhat greater economic importance than Dar-es S or the year 1927 they represented over a million pounds

The Director of Agriculture sterling and were some Lots greater than the exports from the The Director of Agriculture, fon. Alex Holm, C.B.E., has urned to Nairobi at the ex-son of his leave. greater than the exports from the better known port. That in it. self is sufficient to establish Tanga as a place of importance which counts for not a little in the sperity of Tanganvika

way of the proper administration of Tanga. They are chiefly due to geographical considerations and to the fact that Tanga lies and the fact that Tanga lies are the contractions and the fact that Tanga lies are the contractions of the contraction of the contrac
