British Doctor's Terrible Story of Belgian Ruanda.

COUNTRY LITTERED WITH CORPSES.

Women and Children Attacked by Hyaenas; Man-Eating Lions on the Increase.

Terrible details of the famine situation in the Belgian man-dated territory of Ruanda are disclosed by a British missionary, Dr. J. E. Bruce, the only qualified medi-cal man in the stricken district.

He says Ruanda is a land of living skeletons, that corpose litter the countryside, that women and children, lying belples by the roads, are probably, eaten by kyans before they are dead and that man-eating lious are on

Although the Belgian authorities are making strenuous efforts to overcome the transport difficulties which impede distribution of food, their action is too late to save the lives of thousands of natives.

Dr. Bruce asks for help—men and medicine—to fight disease and proposes to open dispensaries if he can get assistance.

AN ULTIMATUM

We beg to announce that, owing to the recent illness of Mr. R. C. Gilfillan, which necessitates a temporary relinquishment of his business activities, we have decided to discontinue the Motorcar Department of our business.

Motorcar Department of our business. Accordingly we have arranged, with the co-operation of the General Motors Export Company, for the transfer of the Oldsmobile franchise to The Motor Mart & Exchange, Ltd. and the Buick franchise to a new company to be organized by Messrs. Carr, Lawson & Co. Ltd.

The new company which is being formed by Messrs. Carr, Lawson & Co., Ltd., will occupy the present premises of Gilfillan & Co., Ltd.

We desire to express our sincere appreciation to all Buick and Oldsmobile owners for their patronage during the years we have handled these lines. To Messrs. Carr, Lawson & Co., Ltd., and The Motor. Mart & Exchange Ltd. we wish every success in the continuance of these ropular franchises.

NEW PREMISES

We are erecting a new building on our Sixth Avenue plot next to the premises previously occupied by us, where the wholesale department of our business in Goodyear, Kohler and Del Monte products will be centered.

Pending the completion of this building, temporary offices will be in the building at the rear of this plot, with the entrance in 6th Avenue.

Ants ... Ants ... Ants!

How disquaring it is to sit down to your meal and find ante, rwarms of them in the sugar container, the break, even over-maning your dishet. Avoid this disagreeable experience. Preserve the clessiliness of your food—destroy ants with Filt.

Fit clears the house in a few minutes of disease-bearing disease-nounced by the minutes of disease-bearing disease-monutries, bedbugs, roaches, ants, and fless. It searches out the cracks where insects hide and breed, destroying their eggs. Petal to insects, harmless to you. Will not rain. Do not confuse Flit with ordinary insecticides.
