Interesting Cricket Match This Week.

H. B. EMLEY'S LAST BIG

This coming week-end wil can students, who are due to arrival here during the present week, will take place at Park-lands Sports Club ground, when they will be opposed by a side of "Home Born" players. During the week end, a two day cricket match will take place. This game will be between sides represen-tative of the East and the West. In a way this latter game will be attended with a touch of reg-t. as it will mark the last big

departure from the cools, player is H. R. Emley.

As will be noticed from a glance at the East team all the players with the exception of Enriey are from outwith Nairobi. The reason for the latter is not far to seek in that it le thought players from outside teams should be given the opportunity of appearing in representative cricket.
