Sheep Dip efficiency can be measured only by Results

— and efficiency is achieved by scientific skill and long experience.

COOPER'S POWDER DIP

has been tested by nearly five generations of practical sheep owners, and their combined testimony has placed it in the supreme position. Not only do they say it is the most efficient of all dips, but they praise their words by using it.

THE ORIGINAL POWDER DIP.

Year after year, it is the annual sales of Cooper's Powder Dip have attained the enormous figure represented by a quantity sufficient to dip THREE HUNDRED MILLION SHEEP.

WILLS THEY KEEP A LIFE INCREASED WOOL-GROWTH IS THE MOST ECONOMICAL.

HENNESSY'S... RANDY

WORLD JAMBOREE OF BOY SCOUTS IN BRITAIN.

Appeal for Subscriptions to Send Kenya Representatives.

12 EUROPEAN AND 8 INDIAN SCOUTS.

Balance of £1,700 Needed to Finance the Movement.

In 1924 Kenya sent eight "Lion Cubs" to the Boy Scouts Jamboree in Britain. This year the Boy Scouts Association in the Colony is desirous of sending

12 European Scouts, 8 Indian Scouts,

to the Jamboree which is being held in August near Birm'head. An appeal appears below for public subscription to defray the cost, which is estimated at a total of £2,000—i.e., £100 per head. Of this total there is already £300 in hand and £1,700 is now required. Contributors to the fund must state clearly whether their donations are for the "European Scout Jamboree Fund" or the "Indian Scout Jamboree Fund".

FIRST DONATIONS TO THE FUNDS.

The Appeal ends: A number of Scouts at all ages will be held in Africa. Part now being raised in the first fortnight of August, 1929. It is hoped to send Kenya a contingent of 20 Scouts, 12 European Scouts and 8 Indian Scouts, provided sufficient funds are forthcoming. The movement will be the largest of its kind ever held in Africa. It will be a grand opportunity for the Scouts of Kenya to show their loyalty to the Empire and to the Scout Movement as a whole. It will be a grand opportunity for the Scouts of Kenya to show their loyalty to the Empire and to the Scout Movement as a whole.

Government House Petition.

His Excellency Sir Edward Grey, Governor of Kenya, has received a petition from the Kenya Education Committee, asking for the Government to contribute to the cost of the Kenya Education Committee's work. The petition is being considered by the Government.

Chief Scout's Letter.

The following extract from a letter written by the Chief Scout, General Sir Baden Powell, to the Acting Commissioner for Kenya indicates the scope and importance of the movement.

NOTE

We are all delighted that you are so interested in the movement. We are sure that you will do all you can to help us to make it a success. We are sure that you will do all you can to help us to make it a success.

THE "ATMOSPHERE" OF MOMBASA ON KENYA QUESTIONS.

Differences With Highlands Due To Undefined Fear.

ACTS AS THE BRAYE ON THE COLONY.

Today's Misunderstanding the Fruits of Past Neglect of the Coast.

[STANDARD MOMBASA CORRESPONDENT]

The "atmosphere" of Mombasa is a peculiar one. It is a result of the long history of the town, which has been a center of trade and commerce for centuries. The town is situated on a narrow strip of land, and its growth has been limited by its geographical position. The town is a mixture of different races and cultures, and this has led to a unique atmosphere. The town is a center of trade and commerce, and it is a place where people from all over the world come to do business. The town is a place of great interest and beauty, and it is a place that is well worth a visit.

The "atmosphere" of Mombasa is a peculiar one. It is a result of the long history of the town, which has been a center of trade and commerce for centuries. The town is situated on a narrow strip of land, and its growth has been limited by its geographical position. The town is a mixture of different races and cultures, and this has led to a unique atmosphere. It is an unfortunate situation and one which is all too dangerous, inasmuch as there are really serious differences of opinion between the two countries. There are on the island, a few people known by racial prejudice as the "non-African" people, who are the African people of the coast. These people are in a minority, but they are a very important one. In some cases they bring their own goods to the market, and in other cases they are employed by the European people. These people are in a minority, but they are a very important one. In some cases they bring their own goods to the market, and in other cases they are employed by the European people.

Depreciation

One of the main reasons for the depreciation of the value of the land in the Highlands is the fact that the land is being used for agriculture. The land is being used for agriculture, and this is leading to a depreciation of its value. The land is being used for agriculture, and this is leading to a depreciation of its value. The land is being used for agriculture, and this is leading to a depreciation of its value.

Towards Co-operation

The one main point on which the two countries are in agreement is the fact that they should co-operate. The two countries should co-operate, and this is the only way in which they can solve their problems. The two countries should co-operate, and this is the only way in which they can solve their problems. The two countries should co-operate, and this is the only way in which they can solve their problems.

THE NATIVE SQUATTER.

Examining some of the reports received by the Agricultural Department in the past few years, it is not surprising to find that the native squatter in the Highlands is a very important one. The native squatter is a very important one, and it is a problem that is well worth a visit. The native squatter is a very important one, and it is a problem that is well worth a visit.

SQUATTERS USING NEARLY MILLION ACRES ON WHITE FARMS.

675,000 Cattle, Sheep and Goats Grazing on Alienated Land.

111,000 AFRICANS INVOLVED.

Further Extracts from the Latest Agricultural Census Report.

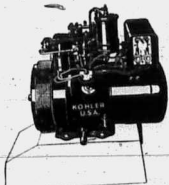

During a White cattle production of 12,000 tons. The report states that the July estimate of the 1928-29 crop was 14,474 tons, which was 10 per cent. above the 1927-28 crop. The increase was due to the fact that the average yield of the crop was 2100 per acre. One of the main reasons for the increase was the fact that the area under the crop was 100,000 acres more than in 1927-28. The area under the crop was 100,000 acres more than in 1927-28. The area under the crop was 100,000 acres more than in 1927-28.

It is a matter of common knowledge that the squatters on white farms are using nearly a million acres of land. The report states that the total area of land used by squatters is 1,000,000 acres. This is a large increase on the area used in 1927-28. The increase is due to the fact that the squatters are using more land for grazing. The report states that the total number of squatters is 111,000. This is a large increase on the number of squatters in 1927-28. The increase is due to the fact that the squatters are using more land for grazing.

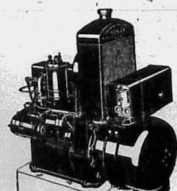

Antarctic Explorers select KOHLERS

THE Byrd Antarctic Expedition, the largest and most completely equipped Polar Expedition that has ever been organized, selected Kohler Electric Lighting Plants to furnish electric light and power during their long stay in the South Polar regions.

No expense was spared in selecting the finest equipment obtainable in the world for this Expedition. Experienced engineers and practical men chose Kohler Electric Plants in preference to any other make because of their greater reliability and economy of operation in their location thousands of miles from civilization. Two Model K electric lighting plants provide emergency electric power and light on the supply ship "Elinor Bolling" and two others provide the sole source of power for radio and light at the main base on the Polar ice. These plants are identical to those which are at present in operation in this country at the Eldoret Hotel, Pioneer Hotel, Kitale Hotel and the Mountains of the Moon Hotel.

NAIROBI GOLF CLUB.

Prospects for the Easter Tournament.

"Nairobis."

The recent rain has done the nicest of things for the prospects of the Easter Tournament. We have had most of the cracks on the dry and earth have been washed and disappeared, and even the little which was left of a terrible state has improved quite a bit. We want more rain and, at the time of writing, it looks as if we shall get some. I do hope that the weather does not break down just in the Easter holidays, but unless the Easter Tournament starts to rain in the afternoon we have ever had in fine weather.

If any members of the Nairobi Golf Club are in a position to offer housing accommodation, for two or three days of the Easter Tournament, to any of our guests, would they communicate with the Captain, Mr. T. L. Hilly, who will be grateful to receive any offers of assistance for entertaining our visitors.

We have had acceptance from every team invited and provided they all send teams, the tournament will commence on Good Friday morning and finish on Monday evening.

A Fighting Committee.

I hope in my next note to be able to give the draw and the post-conditions of the various teams. Up to the present I have only had advice from Mr. Jack Mann, who captains Nairobi. His team will be chosen from the following: Hambo, May, Gray, Lindsay, Clarke, McWalter, and others. From the look of it, about the best team Nairobi have ever put in the field, and I hear from Ulster that Kossuth that practically every one that is coming down is a "hot" strength, so that it is really going to be the fight of the year. Mr. Hilly advises on this as to present conditions his team will be Major Knott-Lennon and J. A. Hilly, C. H. Davison and H. E. V. Talbot, T. L. Hilly and J. D. Leonard, J. Trevor Cole and E. Stratton and his two reserves are that famous and doughty old champion A. C. Tenahill and D. H. Hunt. Though not so strong as it might have been, it is one of our smaller handiest teams and I hope will be able to play throughout the tournament, if it is in the margin.

No one knows whether the Prince's absence from the Easter Tournament will be a set-back to the club, but I think it is a pity that we are not able to play throughout the tournament, if it is in the margin.

Lunch will be served in the Club house on Saturday and Sunday, but on Monday visitors will be obliged to private hospitality in

MUHAGA GOLF CLUB.

Various members of the club in Nairobi.

A Farewell Dance.

Every member of the club made by Mr. Trevor Cole to give a good night together for Saturday night so that we can give one of our former dances, and I believe Trevor's discretion should make this a great farewell occasion, as it is the last time that the club will be together for a long time.

The notice should be in prime order and all our visitors, and I am asked by the Committee of the Golf Club to say that all members of visiting teams are invited to the Easter Tournament, and on the courtesy of the course for the visiting teams are invited to practice round or two during the week without any payment of green fees.

Mr. Knott-Lennon and Mr. Lawrence are giving a prize for a ladies team, to be played on the 26th April, over nine holes. The winner of the competition will be the team with the best score.

A Feast in the Night.

A tragedy must have occurred near the fourth green on the old course, evidently the other night a lion had killed a wildbeast, and kept for a future occasion the remains of the feast. It was a very grimy bit of work when I saw it. This is the second occasion in my time, where lions have killed on the course. The last time a rebe was the victim.

I hear the house committee have been getting very busy lately and are planning to change the order of the day. At the last meeting of the committee, the purchase of a refrigerator was sanctioned so we shall get soon, but in the meantime of having desks as cool as we can get, and another thing will make all the difference in the temperature at club luncheon.

Prince of Wales and Hunting.

SALE OF HORSES FETCHES £4200.

'STANDARD' CORRESPONDENT.

London, Feb. 26. Great interest was felt in the recent world on the occasion of the sale of the Prince of Wales' hunters. Although he has thirteen hunters only twelve were sold, the exception being just an Irish one, the favourite which the Prince had bought for £4,200 was realised. Miss Maitland, the Prince's favourite, fetched top price—700 guineas.

No one knows whether the Prince's absence from the Easter Tournament will be a set-back to the club, but I think it is a pity that we are not able to play throughout the tournament, if it is in the margin.

MUHAGA GOLF CLUB.

Team for Nairobi Easter Tournament.

"(Fife)."

The reply of the February tournament resulted in a list of names which will be the team for the Easter Tournament.

Mr. and Mrs. Stanford were the main interest in the team, but they have waited away with their clubs, and good luck to them. As already reported in the "Standard," I have pleasure in announcing that Major Knott-Lennon will apply to the Secretary, the usual conditions will be handed to him.

Easter Tournament.

The main Golf spirit of conversation at the moment was "who will carry off the honours on the Hill this year?" With the following team, I feel sure that Major Knott-Lennon will go a long way, and will pick little bit of luck that will win him the Easter Tournament, who knows but that Methuane will pull it off.

The team chosen is as follows: A. Holden and S. H. Boyd; R. J. English and G. E. Hunt; Dr. A. D. Williams and I. St. V. Neenan.

H. S. Darghan and F. Meek, R. H. F. Drake will act as reserves.

The Committee have agreed, as usual, to our course being thrown open to all Members of competing teams during the coming week.

An arrangement has been made for a Nairobi "B" Team to meet our "B" Team in an all day friendly match on Edge Monday commencing at 9.30 a.m.

The following have been chosen to represent Muhaga: Armstrong, Helms, Gibbs, Withford, Suttill, Wynne, Archer and A. Fisher.

I feel sure that all will agree that these friendly matches are all for the good of Golf and are to be encouraged in every way.

Buggy Spoon Competition.

I would remind Members that our last Buggy Spoon competition takes place on Sunday next the 28th inst.

Our Dinner last Saturday was a great success, and three present were high in their praise of the Stand under the direction of Mr. W. Waters. The Ladies Committee are also to be congratulated on the splendid supper they put up for us.

HOLD IN ONE.

Playing over the Muhaga Golf course on Friday, Major A. L. East-Lane, amateur champion of Kenya took the 2nd-3rd title to go.
