GERMANY AND THE HILTON YOUNG REPORT

To be Combated by All Available Means.

STATEMENT BY FOREIGN MINISTER.

Report Said to be Incompatible With Mandate System.

STANDARD CORRESPONDENT.

Dr. Stresemann, the German Minister for Foreign Affairs, during the Reichstag debate on foreign affairs said that the German Government would have to combat with all available means, the Hilton Young report on East Africa, which, he said, was incompatible with the character of the mandate system. Germany was thus hoping to receive the support of the League of Nations in keeping up the mandate system of the League of Nations.

Not Talking at Random.

The "Daily Mail" in referring to Dr. Stresemann's remarks that the Hilton Young report was not in harmony with the mandate system, states that Dr. Stresemann does not talk at random or without a definite purpose. He confirms himself to the present technical objections, but it is clear that if circumstances are favorable, his attitude will develop into a demand for the restoration to Germany of Tanganyika and her other colonies.

The first four days of August will be devoted to the main series of shooting events. Storage of these days about the capital of the Colony known as Bisley. The programme of events for the day preceding the Kenya Bisley rifle meeting in full swing. It is unfortunate that the two events should clash, but as each has its separate and distinct following, little damage should result to either arrangement.

Patrons for the meeting close on July 27, but post entries may be made as double fee up to noon. July 31. Arrangements for the meeting are getting under hand, and during the course of the gathering the old Volunteers will provide a minimum of the programme which characterizes the work done in England.

Trains are to be booked for use of the spectators, and those will be available from the last day of July. With regard to the catering, provisional arrangements have been concluded with the Railway authorities for the supply of meals, breakfast, lunch and dinner at the Nairobi station, and tea on the train. The charges for these will be: breakfast (Shs. 8/-), lunch (Shs. 7/-), dinner (Shs. 10/-).

In the case of some charges, the cost for the use of tents will be Shs. 2.00 per set per party, the minimum charge for a hand lamp (Shs. 1/-), and the maximum (Shs. 10/-).

Support Wanted.  
Every endeavor is being made to secure the support of the Bisley meeting. During recent years there has been a want of some extent in the publicity, and the reason is somewhat difficult to appreciate. In a colonial country like Kenya it is not natural to expect an agent like Allowances Money and Galdings Sls. Malina Tiba. Financial not committal, the Kenya Sls. League of the Trustees Service Post to many 70s. extra, if of two or more of those rooms 100s. extra; or if of more of a total value of £500 or more 100s. extra; or if of more of a total value of £700 or more 100s. extra. Distance 11 miles. Entries closed 25th June, 1929 (5 minutes).
