It is common knowledge that time and time again in bankruptcy proceedings cases occur where some bankrupt in addition having been transferred to a court where the creditor is a resident of the province. A similar case occurred recently in the case of a bankrupt who had been transferred to a court where the creditor is a resident of the province. The case was decided in favor of the bankrupt. The court held that the bankrupt was entitled to a discharge. The court also held that the bankrupt was entitled to a discharge.

### "EAST AFRICAN" ANNUAL.

(Continued from page 1.)

international game, first a severely illustrated tale of an Arab, some of the circumstances of the life of a Pioneer in East Africa, and a story of the Highlands of Kenya, an article on Uganda and an article on the problems of Tanganyika, a planographic article on health in the Tropics, and a story of some delights of Trout Fishing in Canada, with also story of the life of Matthew Willmetton, an article on Measles and the Scum in Kenya a review of Sport, a record of the address of the Trade Union and an interesting story of an Ethnological expedition by Mrs. Alexander Burnes, the variety of the matter suggests the great field opening up in East Africa for medical and ethnographic literary work.

The photographs are altogether delightful. They convey with great accuracy the East African atmosphere. They have been selected with outstanding care and are of uniformly high quality, covering an immense number of subjects. Their reproduction is perfect from the technical point of view. A typical example appears in the picture page of the weekly edition this week. This Annual which has been printed and published by the East African Standard, will be on sale at the price of one shilling. An excellent and valuable present for everyone. A similar list has been specially printed in paperback for sending of great to be addressed to an Indian-stamp of Box 77 at Nairobi where orders have already been placed.

**THE VIEWS OF A FARMER.**

By the Editor, "A. A. Standard."

Not the least thing about a working farmer is that he is a member of the Board of Agriculture. He is a member of the Board of Agriculture. He is a member of the Board of Agriculture. He is a member of the Board of Agriculture.

On the other hand, we have the farmer who is a member of the Board of Agriculture. He is a member of the Board of Agriculture. He is a member of the Board of Agriculture. He is a member of the Board of Agriculture.

It is a pity that we have the farmer who is a member of the Board of Agriculture. He is a member of the Board of Agriculture. He is a member of the Board of Agriculture. He is a member of the Board of Agriculture.

**Featuring and Encouraging Younger Players.**

Non-descript Rugby Football Club held their annual general meeting on Wednesday evening at the New Stanley Hotel. Dr. J. W. Kinnear, president of the club, presided and read the minutes of the last meeting. There was a good attendance, and several matters of importance to the club were discussed. Valuable suggestions for the conduct of next season were thrown out, while a large number of lady members of the club were present.

The minutes of the last general meeting were read and approved. Following the report of the Hon. Secretary and Treasurer, Mr. J. E. Wynn, the president mentioned and discussed the meeting of the members held at the club on Wednesday last, when the warmest congratulations and expressions of sympathy were tendered to the club on the occasion of the admission of five ladies to the club membership. This was the first time that the club had received such a large number of lady members. This decision was achieved by a large vote.

his retirement in England, and the latter's retirement in the West Indies in the Far East. It is not only a loss to the club, but a loss to the members who have had the opportunity of playing with him. It is interesting to note that of our best players only four have been seen this season: Messrs. Spang, Cooper and Lewis. It is hoped that they will be seen again for us next year. The members of the club were invited to meet regularly in the first afternoon of the season, and it is hoped that they will be seen in the field in the future. It is interesting to note that the club's best player this year, Messrs. Spang, Cooper and Lewis, were seen in the field in the first afternoon of the season. It is hoped that they will be seen again for us next year.
