It will PAY you to say; "I WILL BUY ONLY & LEADING MAKE OF TYRE"

The new Goodyear Heavy Duty
Tyre has scored throughout the world.
It has won new enthusiasts BY
MILLIONS-started people talking

One motorist after another trying these remarkable new tyres found them revolutionary in performance. Users compared their experiences-told their friends.

In East Africa, England, Australia, Europe, North and South America, in every motoring country throughout the world, the word is flying from lip to lip - "The new Goodyear is a far superior Tyre."

Goodyear has more money invested in research laboratories and testing equipment than many other tyre manufacturers have in all their factories, properties and physical assets. The superiorities of Goodyear. Tyres are not mythical — They can be demonstrated and proved before you buy!

Just talk with Goodyear users; then in your own future interest resolve: "I will buy only the leading make of tyre!" GOOD YEAR

139,000,000 This Year From Higher Income and Other Taxes.

Ministers', M.P.s', Judges' and Teachers' Salaries Reduced.

The Chancellor of the Exchequer placed before the cause of Commons on Thursday the Cabinet's proposite to meet the present crisis. If the expectations are alseed Britain's Budget will be bullanced and the acrous deficit turned into a surplus of one and a Minilion pounds.

t Reuter message summarises the main points in

Mr. Snowden in his Budget speech announced that the estimated deficit this year on the Budget was £74,709,000 and next year's deficit on the name basis would be £170,000,000.

The Government had decided that borrowing the Unemployment Fund must cease.

As a result of new proposals the total saving this year would be £22,000,000 and the gross savings next year £70,000,000.

The proposals include:

RECT TAXATION

Standard rate of Income Tax increased by six-pence making a total of five shillings in the f. Exemption allowances and the pro-portion which pays half the standard rate to be substantially reduced. Surtax increased by 10 per cent.

INDIRECT TAXATION

Duty on beer raised by one penny per

Duty on tobacco raised by eight-pence per

Petrol tax raised by two-pence per gallon.

Higher entertainment taxes.

nance Bill will contain proposals designed conversion of the 5 per cent. War Loan.

The Labour Party has given notice of its intention move the rejection of the proposals.

POLICE OFFICERS CENSURED.

Wider Enquiry Proposed Into Methods of Justice in Native Cases.

s result of the Wagishn Murder Enquiry, an in-westigation is proposed, on an East Astrican basis, of the whole question of administration of criminal position in relation to Natives. The "Standard" has pressed for such an enquiry for years.

e reports of the two examinations will be published

nwhile, it is announced that the Wagishu Com-mission found that certain Police Officers were guilty of grave irregularities, prisoners inti-midated and beaten by Mative Police, Islae-widence given in Gourt and, in consequence, the four accused committed on a charge of murder.

the Law Officers were, however, entirely exculpated. Assistant Superintendent of Police at Kitale was severely consured and the Assistant Inspector who conducted the enquiry into the murder "has left the Service."

SAYS A MEN'S CLOTHES EXPERT:

"Half the secret of well-fitting evening dress is a well-fitting dress shirt underneath..." Any man who sen't careless about his clothes knows this is true.

It is because Consulate Dress Shirts are tailored to the figure so faultlessly that you find a growing number of well-dressed men buy-ing them regularly—and refusing all others.

The cricket season in Nairobi is now in full swing, and it will be interesting to see how the new league takes on, and whether or not it schieves its purpose of sti-mulating interest in the game.

In May last it was stated that Jack Hobbs was contemplating retirement from setive cricks, but it is now definitely amounced that he will continue to play re-gularly for Burrey next season.

Hobbs contract does not expire until his fiftieth year—be will be 49 in December—but the Surrey club would have been reluctant to ask him to continue if his health had not been able to stand it.

Kenya-Tanganyika-Uganda-Zanzibar.

(Eise of page 16-ins. x 11-ins.)
BEAUTIFULLY HALUSTRATED,

The 1931 EDITION of the "East African Annual " is now in course of preparation. The enormous success this publication achieved last year, and the fact that the whole issue (5,000 copies) was sold out in 31 days, has necessifated this year an increase of the issue to

6,000 COPIES. TEe annual will only contain articles dealing with the most beautiful and improve and Zanzibar together with the most beautiful and unique collection of East Africain photographs ever published. The cover is designed by an East Africain artist.

Orders are now being booked.

Note:—This Annual is an East African production. It is compiled and published by the "Fast African Standard, Ltd.," in Nairobi Kerya.

Forthcoming Expedition To The Oldaway Beds.

Dr. Hans Reck, probably the first investigator into fossil remains in Tanganylia Territory, who visited that country over twentiers, who arrived at Dar es Salaam again recently, to easy cut further scientific research into the history of primitive man in East Africa.

selber with Dr. L. S. B. Leakey, and a party of scientists, Dr. Hans Reck will visit the Oldoway Beds, near Lake Natron, which he first discovered in 1914. An attempt will be made to correlate the finds of fossils which have been made in Kenya and Tanganyika.

In the course of an interview with a representative of the "E.A. Standard" Dr. Hans Reck told of the discovery of a prehistoric elephant of a type which is not now known in East Africa. He also dis-closed the fact that Tanganytics has an active volcano which was in eruption during the war period.

me details of reptilian remains of the Karoo Age which have been extracted from the most recent report of the Tanganyika Geological Department are appended. This Report has not yet been made public.

Dr. Reck advanced an interesting theory to account for the present breaks in the cable line.

He was interested to hear that the people in the country believed that there would be a larger population. He would be extremely glad if a statement could be made out in detail of the position. If people in Kenya could de-vise a practical plan whereby men with little capital would come out here, he was perfectly car-tain that it would meet with open and eager consideration.
